TEMPELRIDDEREN

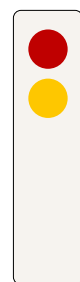

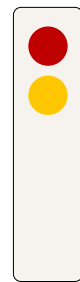

I Tempelridderens indre rum er der én vej - livsvejen til fornyelse, vækst og personlig evolution. Ridderens iboende flamme forvandler den uundgåelig vej. I atmosfærens mange luftlag fylder ridderen lasten med kostbare erfaringer der rummer dybe erkendelser og læringsprocesser. Den mentale og emotionelle last har en konstant balanceregulering imellem ligevægt og homoganitet, som et velafstemt gyroskop. Indsigten og respekten for lasten er altafgørende for den fortsatte livsfærd. - en menneskelig tilstand
